the Lecture series and the Friday Night Street Dance were also well attended and a great addition to the weekend. "We were surprised and pleased at the increase in attendance at the Festival this year," said Patti Jensen, Festival Director. "In this economy, we were expecting a decrease in attendance, however we were up in both number of dealers and in visitor attendance. We appreciate the over 100 volunteers who helped us with the Festival, the Town of Spruce Pine, Radio Patrol, the Spruce Pine Police Department, Mitchell County Transportation, the staff at The Bridge and our 2009 Sponsors who all help make the Festival possible."

To honor Mrs. Charlie Mae Sproles, the Chamber will award a scholarship to a Mitchell High School graduate who plans a career in education. A fund-raising raffle was held during the 4 days of the Mineral and Gem Festival to raise money for this scholarship. Our thanks to the 53 dealers who donated items. Watch for our scholarship winner next Spring.

Blue Ridge Regional Hospital recognized as a Community Value Five-Star Hospital

Spruce Pine, NC—Blue Ridge Regional Hospital (BRRH) was recently recognized as a top-ranked Community Value Five-Star Hospital by Cleverley & Associates for the fourth time. This designation is based on an assessment of the hospital's performance in four areas: financial strength and reinvestment, cost of care, pricing, and quality. Five-star hospitals stand apart from the rest because, while some hospitals may perform well in one or two areas, they have achieved strong performance in each of the four areas. Cleverley + Associates is a leading healthcare financial consulting firm specializing in operational benchmarking and performance enhancement strategies located in Columbus, OH.

"Blue Ridge Regional Hospital's staff has worked hard to provide the high quality of care that our patients expect and deserve at a reasonable cost. We are thrilled to know that, once again, our hard work has been recognized and that we rank in the top twenty percent of hospitals in the nation," said Keith S. Holtsclaw, president and CEO of BRRH.
